

## Directions to Nancy's Landing

- Follow I 90-94 north to the Portage/HWY. 33 East Exit.
- Turn right onto Hwy. 33 (towards Portage)
- Follow for a couple miles to Levee Road—there is no sign for Levee Road but it's just past the Blystone Towing, which will be on your LEFT (and I think it says Caledonia Street on the right side of the road).
- If you cross the Wisconsin River, you've gone too far!!!!*
- Turn LEFT (west) onto Levee Road and go about 10 miles
- When you reach the stop sign at County Road T, turn RIGHT.
- Follow County Road T for 1-2 miles, taking note of the fire # posted near the road....look for the blue sign that reads E12507 (the numbers will get smaller as you travel down T)
- Directly across from the 2-story cedar framed house at E12507 is a small gravel road that runs past a little red pole barn. Take a RIGHT onto this gravel road and follow all the way down to the boat launch. This is a privately owned boat launch and campground but Nancy and Charlie are nice enough to let us camp there and use it as our staging area.
