Independent Auditor's Report

Report on the Financial Statements

I have audited the accompanying statements of financial position of Living Lands & Waters, (a nonprofit organization) as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years ended December 31, 2021 and 2020.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Living Lands & Waters as of December 31, 2021 and 2020, and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through May 9, 2022, the date which the financial statements were available to be issued.

Nature of Organization

Living Lands & Waters is an Iowa incorporated nonprofit organization currently located in East Moline, IL. Its purpose is to aid in the protection, preservation, and restoration of the natural environment of our nation's major rivers and their watersheds; to expand awareness of environmental issues and responsibility encompassing our rivers; and to create a desire and opportunity for citizens to take an active role in helping to make a cleaner river environment. Living Lands & Waters has removed over 11 MILLION POUNDS of debris that had been impairing fish, bird and wildlife habitat and polluting our waters. Together with a substantial volunteer force, the Living Lands & Waters team has helped clean-up 25 rivers in 21 states.

Basis of Accounting

The financial statements of the organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Recognition of Donor Restricted Contributions

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Net Assets

Net assets, revenues and releases from restriction are classified based on the existence or absence of donor or board-imposed restrictions. Accordingly, the net assets of Living Lands & Waters and the changes therein are classified and reported in two categories of net assets.

December 31, 2021

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Without donor restrictions - Net assets that are not subject to donor-imposed restrictions, including the net investment in fixed assets, gifts with no donor restriction and current funds without donor restriction.

With donor restrictions - Net assets that are restricted by a donor for use for a specific purpose or in a future period. Some donor-imposed restrictions are temporary in nature, and the restriction will expire when the resources are used in accordance with the donor's instructions or when the stipulated time has passed.

Other donor-imposed restrictions on net assets included in this category are permanent in nature. These net assets have been restricted by donors to be maintained by Living Lands & Waters either in perpetuity or until released by specific action by the Living Lands & Waters' Board of Directors in accordance with applicable law. Living Lands & Waters' unspent contributions are included in this class if the donor limited their use, as are its donor-restricted endowment funds.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Accounting Estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Organization considers all temporary cash investments purchased with an original maturity of twelve months or less at date of acquisition to be cash equivalents.

Property and equipment

Purchased boats, vehicles and equipment are capitalized at cost. Donations of equipment or refurbishing services are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over their estimated useful lives.

December 31, 2021

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Contributions

Gifts of cash and other assets received without donor stipulations are reported as revenue and net assets without donor restriction. Gifts received with a donor stipulation that limits their use are reported as revenue and net assets with donor restriction. When a donor-stipulated time restriction ends, or purpose restriction is accomplished, donor-restricted net assets are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions. Gifts that are originally restricted by the donor and for which the restriction is met in the same time period are recorded as with donor restriction and then released from restriction.

Gifts of land, buildings, equipment and other long-lived assets are reported as revenue and net assets without donor restriction, unless explicit donor stipulations specify how such assets must be used, in which case the gifts are reported as revenue and net assets with donor restriction. Absent explicit donor stipulations for the time long-lived assets must be held, expirations of restrictions resulting in reclassification of net assets with donor restriction to net assets without donor restriction are reported when the long-lived assets are placed in service.

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Amounts expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those pledges are computed using an interest rate for the year in which the promise was received and considers market and credit risk as applicable. Subsequent years' accretion of the discount is included in contribution revenue.

Conditional gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenue when the conditions are substantially met, and the gift becomes unconditional. No conditional gifts or pledges for which conditions had not been substantially met were recorded in 2021.

Income taxes

Living Lands & Waters is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state income tax laws. As such, contributions to the organization qualify as a charitable tax deduction by the contributor. The organization's tax returns for the years 2018 to 2021 are open to examination by federal, local, and state authorities.

FIN 48 prescribes a recognition threshold and measurement principles for the financial statement recognition and measurement of tax positions taken or expected to be taken on a tax return that are not certain to be realized. The implementation of FIN 48 had no impact on the entity's financial statements.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Functional allocation of expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statement of activities. Costs that can be identified with a specific program or support service are charged directly to that program or support service. Costs common to multiple functions have been allocated among the program services, management and general and fundraising categories based on time and effort measurements and other methods:

- Staff costs are allocated based on time and effort.
- Management and general expenses include costs not identifiable with any specific program, but which provide for the overall support and direction of Living Lands & Waters.
- Fundraising costs are expensed as incurred even though they may result in contributions received in future years.

NOTE B – PREMISES AND EQUIPMENT

A summary of premises and equipment as of December 31, 2021 and 2020 is as follows:

	<u>2021</u>	<u>2020</u>
Boats, motors, and trailers	\$ 3,534,162	\$ 3,494,089
Vehicles	230,130	218,085

	<u>\$ 1,919,389</u>	<u>\$ 2,054,468</u>

Depreciation expense for the years ended December 31, 2021 and 2020 were \$228,807 and \$247,461 respectively.

NOTE C – NET ASSETS

As of December 31, 2021, net assets with donor restrictions are restricted for the following purposes or periods.

Subject to expenditure for specified purpose:	
Tree planting project	<u>\$ 10,942</u>

December 31, 2021

NOTE C – NET ASSETS, CONTINUED

As of December 31, 2021, net assets not subject to donor restrictions totaled \$3,566,920.

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes by the expiration of a time restriction or by occurrence of other events specified by donors.

Purpose restrictions accomplished:

Million trees project	\$ 70,000
I-80 restoration	50,000
River cleanup	15,000
Memphis cleanup	5,000
Tree planting	884
	<u>\$ 140,884</u>

NOTE D – EMPLOYEE BENEFIT PLAN

The Organization provides retirement benefits under a defined contribution plan covering all full-time, part-time or seasonal employees who earn a minimum of \$450/year and who have three years or more of service. Under the plan, the Organization contributed 11.39 percent of each eligible employee's gross salary for 2021. The actual contribution percentage is determined annually by the Board of Directors. Plan expenses incurred by the Organization for the years ended December 31, 2021 and 2020 were \$58,000 and \$55,008, respectfully.

NOTE E – DONATED SERVICES AND MATERIALS

The organization receives donated services from a variety of unpaid volunteers assisting the organization in various community and river clean-up programs. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under SFAS No. 116 have not been satisfied. For the years ended December 31, 2021 and 2020, equipment, refurbishing costs and direct services valued at \$87,639 and \$188,270 respectively, were donated to the organization and have been recognized in the organization's financial statements.

NOTE F – RELATED PARTY TRANSACTION / OPERATING LEASE

Living Lands & Waters has entered into rental agreements with Chad M. Pregracke for the rental of its office, storage building and a portion of a house as a crew residence. Mr. Pregracke is the President of Living Lands & Waters. Rent payments made to Mr. Pregracke during the year ended December 31, 2021 totaled \$25,200. Minimum future rental payments are as follows:

<u>Year ended</u> <u>December 31</u>	<u>Amount</u>
2022	\$ 23,400
2023	18,000
2024	3,000
